## Junior Class Descriptions

### **Pee Wees**

We understand that this may be your child's first experience with tennis or any sport, so we ask that a parent or guardian stay on site during the 45 minute class. Players will be in a fun environment working on motor skills, hand-eye coordination, and learning to make contact with a ball.

### **Red Ball**

6-8 year old beginning players that are new to the game or are on their way to becoming rock star players! Players will learn how to send and receive with control, sportsmanship and become engrossed with the culture of fun tennis!

### **Orange Ball**

9-10 year old beginning to intermediate players that are ready for the game of tennis! More technical than Red Ball, players will learn basic groundstroke technique, service motions, net play and sportsmanship in a safe fun environment.

### **Hitters**

11+ year old players that are new to the game or have had some basics. This class will take a fun approach on stroke development, strategy and footwork patterns, and rally. Getting these players ready to play!

### **BR Team**

The BR Team is for juniors that have match play or tournament experience. BR juniors will represent our club and compete at area clubs in a team match format on Wednesday's afternoons. JV team is for individuals just starting match play and Varsity is for more veteran players. *Team placement will be determined by Coach Andrew's discretion and based on coach-ability, competition, experience, technique, and age.*

## Adult Class Descriptions

### **Adult Beginner**

The journey begins...If you've never picked up a racquet or have played less than a handful of times in your life, this class is perfect for you! Tennis in 10 is designed to teach you the basic tennis skills quickly for the beginning or re-entry level player. This class will highlight the primary tennis shots, scoring, singles/doubles play, positioning and grips in a fun environment.

### **Adult Intermediate**

This is for the adult with some tennis experience designed to have a combination of developing fundamentals, technique, and strategy in a fun environment.

### **Cardio Tennis**

Come get your sweat on! This class is open to all players rated 2.0+ and is a high energy fitness activity that combines the best features of the sport of tennis with cardiovascular exercise, delivering the ultimate, full body, calorie burning aerobic workout to upbeat music.

### **Live Ball**

Perfect for players who want to improve their match play. It's 90 minutes of high intensity drilling, situational coaching and playing along with some conditioning but you won't even know you're working out because of all the fun!
